

Community-Based Geographic Research

Food and Place

Learn more about our local food environment and culture. Work with geography faculty mentors and students to gain hands-on geographic research experience.

This is a 3 unit course, open to all students. The course also fulfills major requirements for Geography and Urban Studies students.

Geography 496

Spring Semester 2013

Tuesdays 12:30 to 1:45 pm

Contact Prof. Fernando Bosco (fbosco@mail.sdsu.edu) or Prof. Pascale Joassart-Marcelli (pmarcell@mail.sdsu.edu) for more information about this course. You will need an add code from Prof. Bosco to register.
